

STEP - BY - STEP EMERGENCY ACTION SHEET

U.S. Virgin Islands

In the event of a serious injury, collision, or other emergencies in USVI waters, this guide provides direct steps and contact numbers to assist you in obtaining help quickly. It is essential to share this information during all safety briefings and post it in a visible location onboard.

1

ENSURE IMMEDIATE SAFETY

Administer First Aid if able

2

DETERMINE LOCATION

Confirm you are in USVI waters
Use GPS or Local Island / Markers
Have Boat name Ready

3

CALL FOR HELP

Call 911 First, then immediately call:
VI Rescue: +1-340-725-7377
US(VI) Coast Guard: +1-340-227-0894
VHF Channel 16 - Request Medical Professional from Nearby Vessels

4

ASSIST INJURED UNTIL HELP ARRIVES
