

STEP - BY - STEP EMERGENCY ACTION SHEET

British Virgin Islands

In the event of a serious injury, collision, or other emergencies in BVI waters, this guide provides direct steps and contact numbers to assist you in obtaining help quickly. It is essential to share this information during all safety briefings and post it in a visible location onboard.

1

ENSURE IMMEDIATE SAFETY

Administer First Aid if able

2

DETERMINE LOCATION

Confirm you are in BVI waters
Use GPS or Local Island / Markers
Have Boat name Ready

3

CALL FOR HELP

Call 767 on any cellular device (fastest)

VISAR: +1 (284) 499-0911

IF USING YOUR BOAT'S VHF:

Channel 16 - Radio: "MAYDAY - MAYDAY we are requesting VISAR assistance for a medical emergency"

4

ASSIST INJURED UNTIL HELP ARRIVES
